

Instructions for Name Plate A5 – One or Two Columns for Names

- This template contains four pages:
 - p. 2 – maximum of 4 names
 - p. 3 – maximum of 8 names
 - p. 4 – maximum of 4 names and you can select 2 research groups
 - p. 5 – maximum of 8 names and you can select 2 research groups
- Replace <Name example Pedro Pascal> for the correct name, do the same for <Title> and fill in the correct job title.
- If you are entering multiple names, start from the top and remove the name examples and titles which are not necessary.
- Choose to print in color and cut the paper to A5 format. Do not forget to print only the page that you need.
